· We recommend that you and the camper pack together, so that they know what they are bringing to camp. It is absolutely necessary to identify EACH AND EVERY ITEM they are bringing with the camper's full name.

· Clothing should be sturdy as it tends to get dirty and, in some cases, impossible to use again after games with mud and/or paint.

· Furthermore, we ask for a semi-formal outfit (including shoes), which will be used for the session's party.

· Take into account that campers will get laundry service as part of their registration.
