We recommend that campers come dressed to Camp with summer clothes, socks and sneakers. Remember to wear clothes that you won't mind getting dirty or lost, the idea is to play without worrying.

You must come in wearing a bathing suit [one-piece for girls] under your clothes in order to make changing for water activities easier.

Everything must be identified with the camper's first and last name and in addition, campers must bring a bag daily with:

- SUNBLOCK SHIRT OR RASHGUARD
- BATHING SUIT [one-piece for girls]
- TOWEL
- PONCHO OR RAINCOAT
- WATER SANDALS OR CROCS
- CAP OR HAT
- 1 CHANGE OF CLOTHES
- SUNSCREEN [in addition to applying every day before leaving home]
- 1 LARGE WATER BOTTLE
