AT CAMP LA LLANADA ALL ABOUT? LITTLE Sleepaway Camp at Camp La Llanada is specially designed for campers 7 to 12 years of age.

WHAT IS THE LITTLE SLEEPAWAY CAMP

This experience is a very important step in our Camper's Journey™ where the development of independence and leadership at an early age are just some of the main objectives.

In this program, communication and cooperation among the members of the cabin are reinforced

through activities that enhance their development and growth in a special and fun way. At LITTLE

Sleepaway Camp we speak to our campers in their own language, as if we were in a real-life video game. They will collect tokens and gems, complete missions and #LevelUp as they succeed at both personal and team challenges, always having the #LlanadaValues as basis. LITTLE campers will have the opportunity to enjoy their independence surrounded by friends their own age and gradually develop their own abilities in a safe, controlled environment full of

fun and fantasy

Our LITTLE Temporadas have a maximum capacity of 100 campers each and in our experience the wai-

ting lists may start soon. If living the Camp La Llanada experience is part of your plans this summer,

please complete your registration as soon as possible... Believe us, we would like for everyone to enjoy

our experiences, but unfortunately there are limited spots and they are granted on a first-come,

Where is LITTLE Sleepaway Camp? Our camp is located in the city of Sebring, FL, 3 hours from Miami and 2 and a half hours from Orlando. Here, we do plenty of outdoor activities and sleep in comfortable cabins with air conditioning and pri-

Our program is 100% in Spanish, although all of our counselors speak English if needed. All the activities,

games and songs are carried out in Spanish, which motivates the campers to practice it in a fun way and wi-

thout pressure. In addition, our program has the nature of highlighting the Latin traditions and culture throu-

for this you must put their data in the Camper Form that

We recommend that you take the bus directly to camp, since the experience starts from that moment on... You start to meet people, make friends and even learn the songs. Buses leave the Weston area on the first day of the session, between 8am and 11am [if you do not live in the Miami area, you can also get to camp on your own]. You can sign up for the bus service at the time of registration. We will send all the logistical details for that day before the start of the session.

fills us with pride as campers and makes us feel strong. Dads and moms, reinforce the positive part of the experience and motivate them to achieve that feeling of satisfaction. Feeling homesick [and/or childsick] during camp is normal and our team is strongly trained and prepared to help our campers and their parents to handle it in a collaborative way and with a lot of communication.
