

into the wild CAMP 2024

@ KEY BISCAIYNE, FL

[#FOCOLLANADA]
Adventure | Survival

For pre-teens campers [from 9 to 12 years old]
· Monday to Friday | 8:30 am – 3:30 pm ·

Our purpose is to create experiences that stay #ForEver with our campers. For that, we create opportunities that allow them to grow in a safe and super fun environment, where positive human interactions and the design of our program enhance the best characteristics of their personality, distinguishing themselves as Llanada Campers. Each of our experiences has been intentionally designed to accompany their development in each stage, to this we have called the Camper's Journey™.

In each stage of the Camper's Journey™, our campers will be able to live a custom-designed experience according to their special characteristics, ages and different personalities, reaching their most important #milestones.

Camp La Llanada is a feeling, a way of being and that is why we would like to invite you to be part of our #LlanadaFamily in any of our Llanada Experiences.

What is Camp La Llanada's #INTO THE WILD CAMP?

It is a new experience in our Camper's Journey™, specially designed for campers in pre-teen ages [9 to 12 years], in which they will enhance their strengths by living new adventures and CHALLENGES within an ecological environment.

As they are becoming teens, we know that these campers seek more challenging activities with greater physical demand.

We also believe that contact with nature will help them enhance not only their ecological awareness but also let them explore their independence and strengthen their physical and emotional skills and ultimately feel capable of handling certain responsibilities by achieving their goals.

Into The Wild Camp is a perfect experience for those campers who are willing to try new things, want to explore their potential and experience challenges, while playing outdoors and having FUN accompanied at all times by our #StaffLlanada.

10 THINGS YOU SURELY WANT TO KNOW ABOUT INTO THE WILD CAMP

#1 Where is Into The Wild Camp located?

Our Into the Wild Camp is located within Key Biscayne, exactly in the Bill Baggs Cape Florida State Park surrounded by its beautiful beaches.

#2 How are the Into the Wild Camp sessions?

This experience will take place in weekly CHALLENGES [Monday to Friday from 8:30 am to 3:30 pm] in which campers will test their physical and emotional abilities to achieve their goals while having FUN within an ecological environment.

#3 What activities do campers do at Into the Wild Camp?

For this new and exciting experience, we have designed a program full of challenging activities that we know our campers will enjoy as they will be exploring their potential and having FUN with their friends in our amazing location. These are some of the cool activities we have designed for our campers:

- Fishing
- Kayak
- Paddles
- Biking
- Sailing
- Excursion
- Beach Paddle
- Bonfire
- Water Body Board
- Beach Volleyball
- Learning to tie marine knots
- Beach Cleaning
- Yoga and Meditation
- Grounding
- Creative survival shelter building

#4 How is the supervision of our campers?

Each group is assigned to a member of the #StaffLlanada who supervises and accompanies them throughout the week and is trained in group management and camp activities.

Each session is led by a Director and a Senior Counselor with experience in group management, who ensure the physical and emotional safety of all. We also have lifeguards, photographers and other members of our staff of specialists, thus guaranteeing the presence of adults at all times.

#5 How are the groups formed at Into the Wild Camp?

Campers will be divided by groups according to their age [no more than a year apart] and this way they will rotate through all of the activities.

After registration, you may request a 'group buddy' and we will as always try our best to arrange it accordingly, but if it doesn't happen, trust us, everything will be fine. The main idea of this experience is to make new friends and get out of your comfort zone..

#6 What should I bring to Into the Wild Camp?

We recommend that campers come dressed to Into the Wild Camp with summer clothes, socks and sneakers. Remember to wear clothes that you won't mind getting dirty or lost. It's a good idea to come in wearing a bathing suit [one-piece for girls] in order to make changing for water activities easier.

Everything must be identified with the camper's first and last name and in addition, campers must bring a bag daily with:

- Water Shirt
- Towel
- Poncho or raincoat
- Water sandals or Crocs
- Cap or hat
- 1 change of clothes
- Sunscreen [in addition to applying every day before leaving the house]
- 1 large water bottle

#7 Is the camp in Spanish?

Our program is 100% in Spanish, although all of our Counselors speak English if needed. All the activities, games and songs are carried out in Spanish, which motivates the campers to practice it in a fun way and without pressure.

#8 How is the food at Into the Wild Camp?

All lunches and snacks are included. We offer a balanced, homemade menu adapted to the general tastes of our campers. We attend to particular allergies such as lactose, gluten or nuts.

Campers must eat breakfast before arriving at camp. We recommend a good and nutritious breakfast to have the necessary energy to carry out all the activities.

#9 How is the summer heat handled?

We do many water activities and we put a lot of effort so that our campers stay hydrated and with sunscreen protection. During the rotation of activities we try to ensure that campers always spend some time in cool, shaded spaces, where they also take their lunch and break.

#10 What if there is heavy rain or storms?

We always have what we call a Plan B ready to carry out in case of heavy rain or storms. The safety of our campers is our absolute priority and we try to maintain the energy of the group with fun activities in covered spaces where they are protected.
